Documented incident reports will be maintained in cases of disruptive or undesirable behavior. Receiving more than three incident reports during the camp season may be cause for immediate dismissal from the program. Whenever possible, parents will be contacted and asked to help before a suspension or program removal may become necessary. There is no refund or credit given for suspensions or expulsions. All situations are unique, and the final decision will be made by the Camp Director.

Camp Rules to review with your camper:

- We treat camp staff and fellow campers with respect.
- We only use positive and appropriate words.
- We keep our hands to ourselves.

- We work together to solve problems.
- We respect camp property as well as the property of other campers.
- We use camp equipment properly and safely.
- We run outside.
- We eat and drink outside.
- We use indoor voices when inside.
- We follow directions.
- We come to camp ready to participate & HAVE FUN!

CAMP ATTIRE:

Campers should come to camp in attire appropriate for outdoor activities. Sandals or open-toed shoes should not be worn to camp. Please make sure that your camper is dressed appropriately for the day's activities. We suggest that campers wear shorts or pants as dresses or skirts may inhibit their participation in activities. All slogans, designs and logos on clothing must be appropriate. The camp staff reserves the right to ask your child to turn any shirts inside out or to remove any baseball caps if they are not appropriate. On swim or water activity days, campers should bring the proper swim attire and towel along with normal camp clothing. Sunscreen and a hat are always recommended.

SUNSCREEN: Campers should apply sunscreen prior to attending camp each day. We will have sunscreen available for campers to re-apply throughout the day. Camp Staff will not apply sunscreen on campers and are not responsible for sunburns. Camp Staff will remind campers to re-apply and may instruct campers to apply sunscreen during water activities/swim days.

SIGN-IN/SIGN-OUT & CAMPER PICK-UP AUTHORIZATION:

Please notify the Camp Office anytime your child will be picked up by someone other than a parent or guardian listed on the camper's registration. The staff will question anyone who is unfamiliar to them, requesting that a form of photo identification be shown before the camper is released. If someone shows up to pick up your camper who is not authorized, we will not release your child to them until we have contacted you. Please inform us of certain people are not permitted to pick up your camper.

Custody Situations: If a parent/relative/guardian is not allowed to pick up a camper, we require a copy of the custody papers to be on file at the club. If the parent/relative/guardian attempts to pick up the child, the camp staff will notify the custodial parent immediately and may contact law enforcement if necessary. The camp staff will not forcibly deny the restricted parent from picking up the child. Please discuss the situation with your child and inform the Camp Office of any changes.

CAMPER ILLNESS:

Campers must be healthy enough to participate in daily camp activities. Please do not send your child to camp if they are not feeling well enough to participate as we do not have facilities to accommodate sick

children. If your child becomes ill while at camp, you will be asked to pick up your camper immediately. If the parent or guardian cannot be reached, the emergency contact will be notified. It is the responsibility of the parents to arrange for pick up from camp as soon as possible. If your child has been exposed to a contagious disease, please inform camp staff immediately. For the safety of the other members and the staff, a doctor's note may be required before your child may return to camp.

If you are keeping your child home due to illness, please contact the Camp Office by 8:30am to inform us of your camper's absence. If your child has a fever or vomiting/diarrhea, please make sure they remain at home 24 hours after their temperature/symptoms return to normal without the use of medication.

The following are defined as illness or communicable health problems:

- Conjunctivitis (pink eye)
- Chronic runny nose with colored discharge
- Chronic cough
- Fever
- Vomiting or upset stomach
- Signs of general fatigue or discomfort
- Open rash
- Head lice
- COVID-19

Please notify the Camp Office if your child or any member of your immediate household develops a communicable condition (as defined by the local health department), such as COVID-19, pink eye, chicken pox or head lice. Parents are responsible for notifying the Camp Office within 24 hours or the next business day. In the case of a life-threatening illness, please notify the Camp Office immediately. It is important for us to report cases of illness.

Head Lice: Lice can spread very easily from child to child, especially during summer months! We have a NO NIT policy at the Boys & Girls Clubs of San Dieguito. Parents will be contacted and required to pick up their camper as soon as possible in the event lice or nits are found. Before a camper can return to camps, all nits must be removed, and lice treatment given. Please contact the Supervisor/Manager at your camp location and set up a scalp check prior to the next date of attendance for your camper. Refunds for camp fees will not be given for days missed due to lice. In the interest of keeping our clubs' lice free, a head check of all campers attending on the day of report and the next camp day may be conducted. A notice will be emailed and posted at camp locations. It is the responsibility of the parents to continue checks at home and REPORT to us.

Lice are small bugs that attach themselves to hair follicles and are very easily spread from child to child through head to head contact, backpacks, sharing of brushes, jackets, stuffed animal toys, carpets, pillows, and many other fabric items. Lice will attach them to a strand of hair and secure their eggs 5 cm to 1 inch away from the scalp and will cause the scalp to itch. It is especially important that once lice are

detected that they are removed immediately from the head, as they can spread easily throughout your home and to other family members. HELPFUL HINT: Wearing long hair up in a ponytail, braids, or bun is helpful in reducing transference of lice from one camper to another.

Please check your child's hair for lice thoroughly and make sure you and your other family members are lice-free before entering the Boys and Girls Club or school. Your child must be nit free before returning to the Boys and Girls Clubs of San Dieguito. The best way to ensure your child gets rid of lice is by purchasing a good lice comb and to continue combing every two or three days for the next two weeks. If you have questions or are seeking assistance with removal, please visit <https://www.lcasandiego.com/> for more information.

LUNCHES & SNACKS:

Campers must bring a sack lunch from home each day. Please pack a healthy and balanced meal. No soda please! Please do not send food or drinks in glass containers. Lunches will not be refrigerated or reheated. Freezing lunches and juice the day before will help preserve the food. Please mark your disposable lunch bag with your campers first and last name.

Camp staff will not assist with food preparation or pre-heating meals. We do not sell lunches or snack items in place of a lunch meal. If your camper does not have lunch, you will be notified and asked to bring a lunch for your camper. We request Campers bring re-fillable water bottles each day.

Snack: Campers burn tons of energy at camp each day and are always hungry! We ask that you pack extra healthy snack items for your camper. If you have a younger camper, please consider sending snacks and lunch in separate bags or containers. Snack time occurs twice daily during the 10am hour and 3pm* hour. *Afternoon snack times may vary depending on the camp activity.

Prices range from \$0.50 - \$2.00. Snack items are not sold as a substitute for lunch.

MEDICATION:

Parents must complete and sign a medication form which is kept on file. Only prescription medicine will be dispensed. Medication must be in the original bottle with the camper's name and time medication should be given imprinted on it. Campers are responsible for getting their medication at the appropriate time from the designated camp staff.

CLUB PHONE/CELL PHONE USAGE:

Campers may use the **club phone** for emergencies only. We request that parents call their children in emergency situations only. We have a "NO TECHNOLOGY" rule at camps. Campers are not to use cell phones, smart watches, laptops, tablets, or any other electronic devices to communicate, log onto social media accounts, view videos, listen to music, take pictures or videos of themselves or other campers and share or post online. Campers will be asked to put their devices away or leave them at the front desk or office until they are picked up. Campers should ask the camp Supervisor/Manager prior to making any calls to parents/guardians.

TOILETING/ACCIDENT POLICY:

Camp staff do not provide toileting assistance but will address a toileting accident in a respectful manner. If you have a younger camper, please consider sending an extra pair of bottoms and undergarments in their backpack in case of an accident. Please label all belongings.

2024 FIELD TRIPS:

Field trips are available to campers registered for a FULL camp day either at Summer Day Camp or a combination of an AM & PM Specialty Camp, or full day Specialty Camp. (A full camp day is 9/9:30am-3:00pm.) In order to staff appropriately we ask that you sign up for field trips at least 24 hours in advance. Our field trips are offered on a first come, first served basis and fill up fast! There are no refunds/credits for missed field trips. Membership passes or tickets purchased outside of our group visit are not valid for entry. To register for a field trip, visit your parent dashboard and select the desired field trip options. For the safety and security of our campers and staff, we cannot pick up/drop off campers outside of our Day Camp locations. Campers must stay with their assigned group for the entirety of the field trip, including the ride to and from the field trip location.

REMINDERS: Most field trips take place during camp programming between 9:00am-3:00pm. Field trips that are **BOLDED** are all day excursions where campers will return between 3:30-4:30pm unless otherwise stated. Campers must wear their BGC T-shirt on field trips. Campers will receive a t-shirt at no cost for their first field trip attended this summer. If they are signed up for multiple field trips, they should plan on wearing their shirt for each trip. If your camper does not have their BGC t-shirt on field trip day, one will be provided and an \$8 fee will be charged to your camper’s account. Reminder emails regarding lunch and guidelines will be emailed to parents the night before each field trip.
