BOYS & GIRLS CLUBS
OF NORTHWEST SAN DIEGO
FOUNDATION

Dear Friends,

Boys & Girls Clubs (BGC) of Northwest San Diego has exciting plans for our annual golf tournament and fundraiser scheduled for Monday, May 19, 2025 at Rancho Santa Fe Golf Club. The event includes 18 holes of golf, on-course hot food stations and beverage tastings, live auction, and Raise the Paddle.

We are currently seeking in kind donations for our swag bag and live auction for this event. The exact item is up to your discretion. Our attendees are the perfect demographic to highlight your service/business, as most of our 120 golfers range in age from 35 - 70 and reside primarily in the north coastal county zip codes of 92014 through 92130. Our auction is a major fundraising component to this event; helping us raise much needed funds to help bridge the gap between the modest fees we charge and the actual operating costs of our services.

Enclosed you will find an auction item description sheet. Please complete, sign and scan/email back OR mail back to us at your convenience.

As a newly merged organization with a combined 130 years of service, Boys & Girls Clubs of Northwest San Diego County (formerly Boys & Girls Clubs of Oceanside and Boys & Girls Clubs of San Dieguito) has been dedicated to youth development. Our mission is of utmost simplicity and importance: to provide positive afterschool programs and summer activities to develop the education, health, self-esteem and character of youth.

Today's youth face greater challenges and stresses than ever: divorce, bullying, substance abuse, financial instability at home, and civil unrest are all reasons that child development organizations like Boys & Girls Clubs of Northwest San Diego are crucial to the mental and physical health and well being of our community's youth.

Thank you in advance for your consideration. Please reach out with any questions.

Warmest Regards,

Julia Brown-Farley
