

Opening the Door to Great Futures

BOYS & GIRLS CLUBS
OF NORTHWEST SAN DIEGO

Through our **8 specialty programs** and **8 clubhouses**—plus dedicated spaces like gardens, teaching kitchens, music studios, gyms, and more—we serve more than 13,000 young people each year.

WHAT WE DO

FROM FIRST SENTENCE TO FIRST JOB

We provide safe, structured programs to support young people through every critical stage of development—building social skills, academic drive, healthy habits, leadership experience, and career readiness they need to thrive in life and work.

WHO WE SERVE

A SAFE PLACE FOR ALL

- ✓ Early Childhood (Ages 2–5)
- ✓ Elementary Youth (Ages 5-10)
- ✓ Tweens (Ages 11-12)
- ✓ Teens (Ages 13-18)
- ✓ Student Athletes
- ✓ Military-connected families
- ✓ Children with diverse needs
- ✓ Adults with disabilities
- ✓ Community partners

Serving Solana Beach, Carmel Valley, Del Mar, Encinitas, and Oceanside.

HOW WE DELIVER IMPACT

OUR PROGRAMS

THE NEED

While our region is often seen as affluent, too many kids are quietly facing real challenges.

BOYS & GIRLS CLUBS
OF NORTHWEST SAN DIEGO

RIGHT NOW, IN THE COMMUNITIES WE SERVE:

of students are impacted by poverty, housing instability, or language barriers*

1 in 3

youth are socioeconomically disadvantaged, below grade level in math and reading, or suffer from food insecurity*

*Statistics reflect youth attending schools within the communities we serve, including Solana Beach, Carmel Valley, Del Mar, Encinitas, and Oceanside.

OUR IMPACT

We're actively stepping in with care, connection, and consistent support so no child has to face those challenges alone.

IN 2025:

13,100

total youth served

5,893

registered Club members

1,551

teens served (and growing)

2,808

student athletes served

\$1M+

in financial assistance awarded

so cost is never a barrier

7,500

hours of paid teen workforce training

completed by 13 teen interns

25,000

free, nutritious meals & snacks served*

to Club Kids as well as six partner after-school sites

This institution is an equal opportunity provider.

Research shows that students in afterschool programs have **higher graduation rates, stronger academic performance and better long-term outcomes** than their peers who are not.
